

**Bernaerts Auctioneers**

Verlatstraat 18
2000 Antwerp
+32 3 248 19 21 - info@bernaerts.be
www.bernaerts.be

After the payment is completed, the final step is to arrange for collection and shipping of the purchased goods. The auction house does not provide packaging and shipping but we can recommend some shipping companies. Please contact them directly in order to request a quote. Costs for packaging and shipping are always at the expense and own risk of the buyer. Storage charges may apply should items not be collected within the notified collection period.
